

Looking for a cheap 1 bedroom in bangor me (Bangor me)

Location Maine https://www.genclassifieds.com/x-372619-z

Hey my name is Veronica I am planning on moving to Bangor Maine around the beginning of September. I am looking for a cheap 1 bedroom apartment so me and my fiance can live in. He is currently incarcerated in Maine and he can get on home confinement around October. So thats why I plan on moving out there and also we plan on staying when he gets off of house arrest too. Any more questions just email me please. I hope to hear from you. I would really appreciate if someone will rent out an apartment to us or if anyone knows anyone who would email me too I would really appreciate it. Thank!!
