

Lovely PUG Puppies

Location **Nebraska**
<https://www.genclassifieds.com/x-372889-z>

is a beautiful Brown tri male. Parents are on our website so we urge you to visit and see the quality of puppies we produce. Our puppies are born in our home and are closely monitored. They are seen by our vet at 3-4 fours days of age to have a health check, remove dew claws and have tails docked. Puppies come with an up to date health record. Digger is a super nice outgoing little
