

# Patagonia Margot Dress Black XS (20 USD)

Location **Pennsylvania**

This is a black Patagonia Margot dress with 3/4 length sleeves, size XS. I've only worn this dress a handful of times, accidentally bought it slightly too small for me. You can't get this dress for less than \$34 when it's on 50% off sale (look at patagonia.com for complete description). I'm selling it for \$20, like new condition, no funky smells. Local cash transactions.
