I am selling a 2001 dodge Dakota SLT quad cab, 4dr. 4x4, power seats, windows,A/C, cruise control, ect. It's a must see truck! 2 tone Blue and silver.new tires but could use 1 more new one and all be new. Has the 4.7V8 motor, runs great! No leaks, no check engine lights, all highway miles. You can see by the interior. All black leather, like showroom condition! Had new brakes, front end does NOT need anything. Everything is good on truck to pass inspection. I could keep typing but you should come see for yourself! I'm asking \$4695 and I'm pretty good at this price so no low ballers please! Truck is worth more if ask me. But I'm listing it reasonable. Others are asking 6-8k for same truck and year but theirs has rot and rust where this one has none!! Just 1 small blister starting on right fender, easy fix. Please call me to see and drive if like. My name is Rob and can be reached at

price like I said is reasonable but if have a close offer I will let it go. Thank.
