I'm Peaceful Paul the Happy Hippie of Brady St area I been selling flowers on the St for some time. This year I'm upgrading my flower vendor business big time. I'm looking for one flower child girl that would like to be part of spreading the joy of peace, love and happiness this summer. You must have flower experience and have a Hippie lifestyle background, if your from Eastside and River West is a big +! You will be paid on commission after shift is over. The more flowers you sell the more money you make in return, to make extra cash to the side. You must be 100% committed but I ask no backing out on the last minute please! Contact me to know more details, thank!
