

Sweet chihuahua pups

Location **Texas**
<https://www.genclassifieds.com/x-373368-z>

I have 2 adorable sweet full blooded chihuahua pups. I just got them but since changing jobs I no longer have time for them. I can either separate them or they can go together. Small refining fee does apply to cover what I paid and have spent on them. Had first shots and have been deepened. Need gone asap thanks. Can email or texts pics of them on.
