Slightly aging mostly fit, tall, fair-skin, slim to athletic build, seeking activity partner for local and nearby adventures on a tight budget. I have eclectic interests and tastes in a variety of activities. Some include: bicycling (have a hybrid), photography, walking, beachcombing, parks, and quality movies/films and enjoys sometime cooking and always eating and just hanging out.

Light to no drinker, 420 friendly OK but otherwise a non-smoker.

Must be dog and cat friendly -- well, mostly dog. If you have a horse, that's even better!
