

Siberian husky puppies with shots and dewormed

Location **Pennsylvania**
<https://www.genclassifieds.com/x-373485-z>

Beautiful litter of Siberian husky puppies. Only two left puppies are well socialized with other dogs, cats, kids, and adults. Puppies are raised in my home and have all shots. You must be knowledgeable about the breed and live in a house with a fenced in yard. It won't let me load pictures I will try to add pictures later but if you want pictures I can text or email them to you. 1 male puppy left and one female. text:
