Diamond was relinquished into our care as her owner is moving to a place not allowing dogs. He has

only great things to say about her and seems to have loved her very much. She has been outstandingly healthy, well behaved and has the best good natured personality. She was a very active pup in her first home. Diamond is a very energetic dog. She can sit, command and fetch that you love. She runs and plays ball. She loves to play and licks faces away with her tongue. She is very affectionate towards some and ignored others.
