Hello, I am looking for someone to cut down a tree in my yard. I am looking to get this done right away. I have attached a photo for reference. It is not a huge tree, it is skinny but quite tall. I do not need the leftover wood. You are more than welcome to take it if you want it or leave it and I will dispose of it. I just need it cut to manageable pieces.

Please let me know how much you would charge me and when you can do this.

thank you,
Joshua
