Location **Washington**
<https://www.genclassifieds.com/x-373651-z>

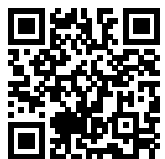

Specializing in pet sitting & daily dog walks, Heart Strings Petsitting has been spoiling furry friends on the Eastside for over 12yrs now! You can have peace of mind knowing that I have many successful years being a veterinary technician. I know the signs to look for if your animal is sick & can easily administer medications, sub-Q fluids & insulin injections.

I look forward to hearing from you!
