Looking to hire a skilled carpenter to make repairs caused by a busted pipe to an old home. Looking to get the following repairs completed

- Drywall roof and wall (ASAP)
- Cut attic access in 2nd floor (ASAP)
- New lamenent flooring in living room
- Repair Privacy Wood Fence Gate that won't close
- Paint
- Repair Stair Railings

Must be reliable as I am looking for someone to provide repairs on a long term basis as needed as we are preparing the property for rental.
