

POSTCARD WRITER NEEDED

Location **Virginia**
<https://www.genclassifieds.com/x-373985-z>

Do you have good handwriting? Can you write 100 postcards with return address, mailing address and four sentences? Then you can make \$500. The postcards are mailed to homeowners who do not currently live at their property. There is a 5 - 10% response rate and usually one or two homeowners wish to sell their house. When I purchase their house, I will pay you \$500, at closing. Contact me for more.
