Best Accounting & Tax Services

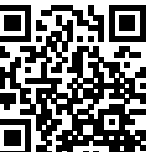

The 2014 tax filing season is now upon us. There are so many new changes to the law, specifically the Affordable Care Act (ACA). This piece of Obama legislature will touch each and every single taxpayer in the USA.

Don't leave your tax preparation to just anyone as many tax professionals are not licensed and are not required to take Continuing Education. At Best Accounting & Tax Services, we have all the answers to your questions regarding ACA and all of your tax needs. We are licensed professionals so you know you're dealing with a true tax specialist. The ramifications of not filing properly can cost you in a big way down the road.

In addition, most of the larger tax preparation chains have increased their fees greatly as a result of this act. We are highly trained tax pros and don't see the need to nickel and dime our clients.

Call today for an appointment and secure your free consultation (up to 1hour) today and let us show you how to maximize your refund or minimize your tax liability.

Located in Milwaukee and by appointment.
