Very sweet and loving Chihuahua. She can be shy at first but warms up fast. There will be a rehoming fee of \$75 to ensure a good home. I have to rehome her due to me being in the hospital and still can't go back to work for 6-8 weeks. I have to move out of my home and in with family that can't have animals. It breaks my heart but I have no choice. She will not go to just anyone. You can call or text

Good with other animals and kids. Would be great for an older couple or a family. She is house.
