

Flat rate handyman, a Realtors best friend (Valley Wide)

Location **Arizona**
<https://www.genclassifieds.com/x-374188-z>

I have been a Project manager and superintendent building houses for over 25 years. I am going out on my own bringing high quality work in everything I do from simple sprinkler repairs to new and remodel construction. I am experienced in preparing houses for flipping and know what it takes to make money in doing so. There is no job that is too small or too big, even if you need a kid's toy assembled or a piece of exercise equipment built. Please feel free to call for an estimate, I do work for a fixed fee, not hourly so there will be no cost over runs. I specialize in "Honey do lists". NO HIDDEN COST, NO SURPRISES
