The DJ's at Dogwood Productions are well polished professionals. From night clubs to live mixed radio shows to the perfect wedding reception, we've experienced it all. We take pride in the ability to engage all of your guests in the fun. We can also take a low key approach if that is your preference. We can make announcements with flair and coordinate entertainment with everyone involved.

Our Guarantee:

With our knowledge of the mobile disk jockey industry, we are aware that not everything goes as planned. We guarantee it will. Dogwood Productions pays attention to your needs from the first phone call to the last dance. We include as many free consultations as you feel necessary to insure your confidence. Unlike large companies, we have a greater ability to customize our talents according to your event and guarantee your complete satisfaction.

Additional Services:

Sound & Lighting:

For an event where more lighting is needed, we have you covered. Dogwood Productions partners with Magnum Opus Digital Entertainment to design custom sound and lighting systems for small rooms all the way to large format venues. No job is too big for Dogwood Productions.

Up Lighting:

Ask us about up lighting, this is lighting that is usually set up around the room that is used to accent areas and create a custom lighting scene. We can customize the lighting to match your colors for your event and really make your event stand out.

Monogram Gobo:

We can put your initials and company logos up as a back drop to really provide a custom.
