Is your four-wheeler or motorcycle not starting? Only runs on choke? Give me a call. I have cleaned carbs on units as old as a 1982 Suzuki to a brand new Honda Unit. I use Ultrasonic cleaning. I also do electrical work on units. Over charging/under charging, battery won't hold a charge? Need your ATV or Motorcycle serviced (oil change)? Give me a call. Need overhead ran on your unit (valves checked)? You don't pay unless you are satisfied. Carb cleaning is \$70 plus parts (if needed). Service for unit is \$25 plus fluids and filter. Overhead prices depends on unit. I will meet or beat any competitors pricing! I have 20 years experience. Give me a call at Thanks for looking and hope to see you!
