Looking 4 sharp dressed female 2 go on a business appointment with me.

Hi, just like the ad says, looking for a sharp dressed female to go on business appointments with me, just sit there looking pretty, and to WOW my customers with your looks, who will in turn give me more business because they so impressed with my assistant:), therefore WE make more sales and all get paid a lot.

All you have to do is meet me at my office in Encino on Ventura Blvd, 2-3 times a week for a few hours a day, we get prepared for appointment, then we go out and solicit business (real estate related), and you can pocket a lot of cash doing it and maybe learn an interesting trade i'm in, get licensed (i can help) and really start cranking money. Anyways, please reply back with your recent picture (1 head shot, 1 full body/dressed), with brief resume and your info.

Right candidate has a bright and wealthy future.
