This is a unique opportunity to meet Wealthy and Powerful Men and get paid to party with them!

I was raised in Potomac, Maryland, and own a Security related Company that services many famous and wealthy people's homes there.

Many of my clients are local Sports Stars (3 Pro Ball Players), TV Personalities, Politicians, Doctors, Attorneys, and Company CEOs.

My association with them is not limited to our primary work association, but also includes memberships to upscale clubs and civic organizations based in Potomac, MD.

We are also involved in many charitable efforts, and, my company is a Member of the Potomac Chamber of Commerce.

I know them all very well.

A few years ago I was asked by a few of them as to whether I knew any attractive young college girls that could attend a party at a very wealthy and famous person's home.

Some of my step-brothers, friends, power, interest, and they had a great time.

Some of the girls that originally provided friendly interactions with my clients have moved away or otherwise opted out for personal reasons.

So, we're in search of a few new girls to accompany wealthy, attractive and powerful men to events, and in some instances (assuming you agree to entertain them in more private settings, where they are less likely to be recognized).

We are very particular about who we chose, and only need 7 more girls, so, do not miss out on this opportunity to meet men that if so inclined could literally change your life.

My clients are all very respectful and generous, and prefer the company of "regular girls" with a "wholesome appearances," that are "outgoing and friendly," as opposed to professional girls.

They would never seek companionship through online sites because they do not want connections to themselves through email communications or money transfers.

They need separation, and a high level of discretion, which is why I've been asked to act on their behalf.

My responsibility is limited to screening your pics, then, if they are found favorable, possibly meeting you to ensure you have the appearance and demeanor that my clients prefer.

If you think you could be described as "Attractive" and "Fun," please submit:

- 1.) your first name
- 2.) your age
- 3.) height and weight
- 4.) contact number
- 5.) where you.
