2002 Honda Civic LX 5 Speed. Runs great. HONDAS LAST FOREVER. Only selling to buy a boat. Great Gas mileage. Only prob is a few unnoticeable dings and a little rust under the fuel door. Call or text five one three four46 zero54four

Has had synthetic oil changes since I bought it. Does need a driver side shock (<\$50) and alignment (\$70). I can fix those bit I'll be a little firmer on the price.
