

Dumerils boa (Manassas)

Location **Washington**
<https://www.genclassifieds.com/x-375854-z>

Male dumerils boa looking to rehome. I don't have time for him anymore. He is about four years old. He eats every two-three weeks, three mice or one rat pup. He is friendly when he is out of cage. There is a rehoming fee. No accessories.
