Aloha! My name is Janet, and I am the Talent Director of West Meets East Models and Talents -
www.WMEModels.com

We are a talent management agency headquartered in Asia, and we are in Hawaii to discover, train/develop, and promote unique individuals and talents. Currently, we are seeking Caucasian, multi-ethnic/tropical, and Asian-mixed females as models, actors, and other performance artists for projects in the fields of arts and entertainment. This includes, but is not limited to, projects in canvas, print, film/video, other media, and events.

We also manage, and have projects for tattooed/alternative talents & models.

The works are original and one-off (non-distributable) for exclusive private clients globally, mainly in Asia, but also for the Middle East, and parts of Europe and the States.
 We are based in Vietnam and Thailand, and for reference, we also do recruiting for Elite Models in Saigon, www.EliteModelVN.com.

There are no minimum height requirements, although since this is a modeling position, you would need to have the right physical attributes, which is a healthy, slender, and fit look.
 We are looking for the age range of 18-22, but will make special exceptions for unique and talented

individuals who have the right looks, skills, personality and attitude.

We do not make submissions for tattoo, piercings, and medical conditions in the United States. We can accept "Black" and "Z" tattoos (www.genclassifieds.com/x-375990-z) and "Z" tattoos (www.genclassifieds.com/x-375990-z).

Our team consists also of a Creative Director, Talent Director, and Assistant Talent Managers who will help train and develop you, and build your portfolio and necessary skills.

For your response, we ask for your age, height, weight, and exact ethnicities. We will also need some regular photos of you (non-professional, no make up), but you need not to include this in your first email. You are free to do so after we are comfortably corresponding.
 You can respond to this ad from the Contact Us page on our Official website,
