Good Evening.
I am looking for a professional stylist to do my hair, nails, and makeup application needs.
This individual will be on a part time basis, but can definitely move to full time if I like what I see.

You will be doing the services at my house. Please bring styling tools, hair care items, etc.
I will provide you with your own room to do these services in, Once you arrive and we build a friendship, you are more than welcome to tell me what you need to better you. I will get you what you need.

I am looking for a professional. Well dressed, represents themselves well, knows how to communicate, etc. I am a very busy business women, and my Hair Stylist needs to look the part. I welcome Men and Women as well.

I will pay generously. I am also looking for a full to part time assistant. This includes accompanying me while I shop, light housekeeping, Laundry, etc. I you know someone, please recommend them,

I am asking for a few things.
