Aerator-Spreader -- John Deere 40" Tow-Behind Combination

Was purchased from Home Depot. Used, but cleaned-up, you'd never know it. Became ill & need to sell for medical bills. Please, no low balling, will accept resonable offer.

New: \$429.00 Asking: \$225.00

Home Depot Model #: AS-40JD (Look it up)

Computer Link page description: John Deere 40 in. Tow-Behind Combination Aerator-Spreader-AS-40JD - The Home Depot

Finish 2 big lawn projects at once with John Deere's 40". Tow-Behind Aerator-Spreader. This time-saving tool not only aerates the soil, allowing water, oxygen & nutrients to reach grass roots, but also drops seed, fertilizer & lime directly into the perforated soil. The durable steel spreader hopper supports up to 100-lbs of material & features calibrated flow control with adjustable stop features. The aerator's 8" diameter galvanized steel tine stars resist rust & perforate the soil up to 2". Multitasking has never been
