Will you be hosting a large (250+ people) outdoor, or even indoor, event where there will not be many or any tables and chairs available, but you want to offer food and drink, such as a wedding reception, large family reunion, an organizational picnic, a mega-tailgater, etc.? Go Plates + Solo cups could be a perfect solution. The Go Plate adapts to your favorite bottle, can, cup and select wine glass by becoming the handle for your Go Plate.

The Go Plate is a sturdy, reusable, washable, clear plastic plate that allows you have a free hand for convenient eating and drinking in social settings where tables and chairs are few or non-existent. The Go Plate was custom engineered with a specially designed center hole, flexible grippers and ridges that accommodate most bottles (long neck and aluminum), cans (standard 12 & 16 oz.), plastic cups with rolled rims (16 & 18 oz.), and select wine, cocktail and beer glasses. To drink, simply lift the Go Plate off your beverage, drink, then replace the plate to continue eating with your free hand.

I have 270 clear Go Plates plus 250 clear, heavy-duty 16 oz. Solo cups with 100 domed-with-center-hole lids and 100 flats lids that fit them available for a total \$250.00 for the whole lot. Check out how much just Go Plates are going for on ebay PLUS shipping costs, then come back here and call me for an appointment to buy them locally for much less and no shipping costs plus you get the Solo cups and lids as well.

I only deal locally, in person, face-to-face and on a cash-only basis. PHONE CALLS ONLY (no texts; no

emails); cash only; you
