Last minute movers is looking for more work! My names Shane I've been working for professional moving companies off and on for 8 years. I know everything there is to know about packing, handling and delivering customers there belongings. I was able to purchase an 18 foot moving box truck and now I'm trying to fill it every week! I've shopped around on pricing out there and I know my pricing is competitive!!! So for 2 movers and the truck I'm at 70 an hour with a 2 hour minimum for local moves which to me would be a 20 mile radius. I also provide just labor if you have a box truck ,pod, container, or trailer that needs to be emptied! if you need help moving please call or text me at
