- I changed my price according to KBB.com  
 I am planning to sell my car in May 8, 2015 after UNK semester. When you want to contact me to purchase this car on that day, see my post below. I used this car just for commute UNK and one travel to Chicago.  
 Clean title and below is my car description.

- V6 3.3 Liter Engine
- Sunroof Tilt open & slide open
- I will change my oil next week, so you don't have to change engine oil. It will be new.
- Cruise mode
- Changed wiper blade 4 months ago.
- Changed tire 4 months ago.
- Connected radio will be given to you. (I used to listen electronic music-see the photo) you can use also for connecting smartphone.
- 184,XXX mile.
- Everything works prefect. but you have to get used to break.

Last two pictures are car price that I got from KBB.com. I don't know it is exact information but just for reference. (private buy and dealer) I always check my car condition with my host family, so it will be the best choice when you buy this car.
