

# Acura cl motor and transmission (1200, USD)

Location **Nebraska**  
<https://www.genclassifieds.com/x-376948-z>

Selling a 1998 acura cl 2.3 motor and transmission 135000 miles on them in very good condition got in a accident ball joint popped out fixed it all up but the fender is ruined bunch of parts inside are missing so if anyone wants the whole car you can take it if not just take all the parts you want from the car just need it gone from the garage. Call or text me for pictures of the whole car if your intrested in the car or motor and transmission number is
