## **Xbox 360 bundle (430 USD)**

Location **Nebraska** https://www.genclassifieds.com/x-376957-z

I have a black Xbox 360 that is in like new condition with a 250gb hard drive. Has an assortment of games to come with it. Two perfectly good working wireless controllers and a working wired controller. A headset that works as well. If you're interested contact me at

this is a great console and it has spent most it's time on a shelf and rarely.
