
balance are their norm.

Their albums? Maybe some loose 8 x 10's vs. our custom designed for you Montage Album. Our work has won blue ribbons against other professional photographers and taken us all over the country. They are, "portfolio building??"

Our complete packages with shooting, editing, High-res DVD for you, and Montage Album for you range from \$495 to \$695. Most of our bookings now come from referrals because there is no better salesperson than a satisfied client. After all, over 90% of the couples who come to see us, end up booking with us.
