It's been a hard decision but our dog chester is in need of a new home. He is all up to date on him shots and is very healthy. He is about 7 years old but still very energetic and fl'll of life! Hoping to find him a home with a back yard and someone who loves to play fetch and play out side. Chester is not familiar with cats but loves other dogs. He is house trained and still loves learning new tricks. Please email me if you or you know someone who would like to adopt this little ball of.
