Ladies....get paid \$400 to kick and knee guys straight in the balls! We are looking for attractive females, 18-29 years of age, to star in ball-kicking videos. You must be willing to kick or knee a man as hard as you can in the groin. This is not a joke! You will NEVER be asked to do anything sexual or be naked in any way.

We also promise that you will always be treated professionally, and have a blast shooting with us! You will get paid that day at the end of the shoot. Shoots typically last up to five hours (two hours training, three hours of filming short ball-kicking related skits), but we promise it will never feel like work! If interested, or if you would like more information, feel free to email us! This is a modeling job, so please include several recent photos with the email.
