My name is Tara & I am 36 who has wonderful experience as a nanny. I have worked in childcare since I was 15. I have worked at various daycares & also as a nanny. I have great references. I went to Francis Tuttle Vo-Tech & studied childcare. I worked in my church nursery since 1997 just currently left to search for another childcare job since it was only on Sunday mornings. I am CPR & First aid certified. I will pass a background check. I can start immediately. Any questions please feel free to ask & I will get back to you as soon as possible. If possible I'd really like to stay on the nw side of town as I live on expressway &
