I am a student lucky enough to get an internship in Warren RI. I am looking to rent/sublet a room for the summer. I would like to move in by May 15th and move out anywhere from August 31st - September 7th. I am a very responsible and respectful guy who wont be loud or a problem. I am really ok with most conditions. I would prefer other guy roommates but have no problem with girls. I would guess I will be visiting friends on weekends or working. I would hope to get included parking and not be more then 25-30 min away from.
