Roman is a 1 year old Long Coat Chihuahua/Pomeranian mix who oozes personality. Well that may be an understatement. If you like character in your dogs, Roman is your guy. Reach for him and he will melt into the floor as he rolls on his back. He loves to play with other dogs and is looking for a human who has time to spend with him and snuggle. If you have other dogs in the home you will need to bring them for a dog introduction.
