2015 CB300F with only 300 miles - best offer takes it.

Red in color - bike is flawless save a 2mm nick on the right seat cowling, but will come with a new replacement panel included in purchase (may even already be on bike by the time of purchase). Bike has not been down and hasn't even hit it's first service interval yet. They are retailing local for \$4,300 with an MSRP of \$4,100. My asking price is negotiable.

NC title in hand.

Why am I getting rid of it you ask? I have more bikes than I have cars, and would like to see this replaced with a SMALL commercial van ASAP.

Again, this is a BRAND NEW bike with ZERO issues, accidents, etc. and I doubt it will stay around long. It is currently setting at Triumph of/Scoot Richmond and can be viewed during business hours of 10am-6pm, Tuesday thru Saturday.

IF THIS AD IS VISABLE, THE BIKE IS STILL FOR SALE
