1985 Ford Thomas Bus Conversion--Bus is Titled in Iowa as an RV (This is important for Insurance purposes--you do not need to title it as a commercial vehicle) (Title Free and Clear)

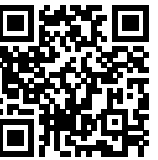

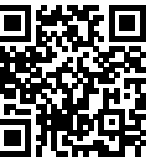

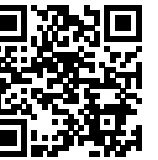

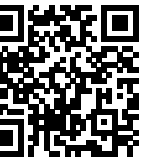

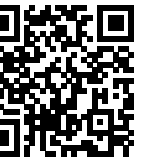

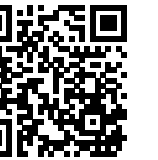

Has a Couch in the front area for both sitting and sleeping! There is Room in Back for a Queen Bed or Twin and Bunk Beds. Table Area seats 4-5 for Dining, Small Kitchen Island area (Drawer Needs Repaired/Replaced), Has spot for small fridge or apt size fridge, 2 Battery Packs (Separated from Main Engine Battery) Battery Pack is charged through a 2nd Alternator on Engine (Switch allows for Running on 1 or 2 or Both Batteries for dry camping) (Battery Pack will need replaced soon), 3000 Watt Inverter, Electrical Outlets from Fuse Panel. Fuse Panel has RV Connection for plugging into in direct to Site RV Electric! Also has self-contained toilet (5 gallons) comes with hose for connecting to RV site toilet; however it needs some plumbing done to get it fully functional for connection to a regular RV campsite.

NEED: Back Brake replaced/repared on Driver Side--back brake is currently engaged and will not move, brake chamber needs replaced... Mechanic Estimated \$500 for parts & labor.

AS-IS \$2000 OBO Bus was used for Food Box Ministry from the farm and Farmer's Markets...looking to get something smaller. Price will go up when repaired!
