Foster Location: Boise, ID

Meet Chewy, a lovely 4 year old Pomeranian who came to Fuzzy Pawz from the land of sunshine and tan lines.

This guy is one handsome, sweet little man who is full of personality! He is so fun to walk and play with! He loves nothing better than laying in the sun and cuddling up to his humans!!

Chewy does ok with other dogs if they are visiting or on a walk. And while he is fine with them in his home we have found that he does like to be the one and only. Sadly Chewy was not neutered until late in life and has a bit of a dominant personality when it comes to his "territory". He feels that everywhere in his home (and yard) is his territory and will mark all of it to make sure any other resident animals know he is the boss! For this reason we feel Chewy would do best as an only pet.

Chewy is house trained he will bark and wave when he needs to go outside.

He tolerates children but would do best with kids 8 and older. He will be happy to play with any dog, as long as they leave at the end of the day!!

Chewy will do well in any house where he is the rooster!!
