We are looking for High School Juniors and Seniors to models for our upcoming series of Senior Portrait Photography Workshops. These events are a great way for High School Juniors and Seniors to earn FREE Portraits while having fun modeling. These sessions are held both in our studio in Downtown McKinney and/or on-location throughout the Northern Texas areas.

We are looking for both Male and Female individuals who are interested in modeling for fun during these photography workshops. No experiences necessary. WE ARE NOT looking for professional child actors nor models. We will fully instruct the models how to pose and when to smile. Parent are always encourage to chaperon these events.

These events are setup in a TFP (Time For Print) compensation arrangement. We will provide each model with a CD or digital download of the digital images as their compensation. The Digital Images will come with authorization to print from at your local labs. Feel free to contact us for more information and to schedule a session with us, soon. WE CAN EASILY PROVIDE TONS OF REFERENCES FROM VERY HAPPY PARENTS!
