HOME FOR SALE

Beautifully remodeled home in Brookside Park. This is a must see! Close to shopping and all major thoroughfares. Updates include but are not limited to: New heat, air conditioning, siding, most new windows, electric service. The kitchen is completely new with dark wood cabinetry and granite countertop, stainless steel appliances and bamboo flooring. The bath has been updated with new vanity and fixtures. The room off to the right of the kitchen would make a great family room or dining room. Whatever your heart desires. There is new carpet throughout as well. There are ceiling fans in all of the bedrooms and the master bedroom features 2 closets and door to the rear brick patio and fenced yard. There is also a mudroom with a door to the side yard and a storage room to the rear of the house. Come see for yourself and make it yours today
