2000 2500, 6.0 108k miles 4.10 gears 2nd owner tons of receipts mobile one synthetic since new 6k on rebuilt trans half a year on 35" nittos, 4 door subs and amp under seat led reverse lights running boards k&n intake edge cts evo back rack also have rain guards and tow mirrors for it new in box, also bush wacker flares not installed yet. Has a 6" afs diff drop lift kit. Runs and drives good, needs a wheel bearing (making some noise, still drive daily) 5500 obo. The lower the offer, the more shit I take off. I will sell it for 3500 with none of the listed extras (lift will stay on) and with okay 33s instead of the like new 35s. Got a job in anchorage today selling to buy a car. May trade for audi Quattro, BMW 3 series, golf/Jetta vr6/1.8t. Possibly others. Prefer manual
