

2006 crown Vic (2000 USD)

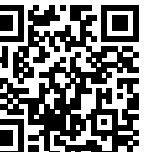

Location **Alaska**
<https://www.genclassifieds.com/x-379111-z>

Was a police car then a cab ..drive good starts every time. Haven't seen any leaks for \$2000 obo with little TLC this car should be worth what you ur paying for it and what ur put into it. Selling only to pay off some fines n bills.

not a mechanic so this car is as is
 Does need break pads beside that I feel this is a we'll maintain vehicle

Test drive evenings and wkends only.
