

# DARLING MAINE COON MIX GIRL

Location **Alaska**  
<https://www.genclassifieds.com/x-379227-z>

Bella is an adorable Maine Coonish girl who is about two years old. Everyone who meets Bella agrees that she has the cutest furriest face! She has a lovely fur coat and relishes being groomed. In fact, she would be content to purr away for hours while you brush and pet her! Although she tolerates other kitties, she would probably be best suited in a home where she is the center of your world. She is leery of dogs as well, but could coexist if necessary. Bella needs a low stress environment without young children.

Bella recently had surgery for bladder stones and requires a special (but not expensive) diet. It should be noted that this condition could recur and she will need to be monitored carefully.

Bella is a very special happy young girl with a lot of love to give her new family! She is in foster in Wasilla.

She is spayed, vaccinated and microchipped. She can be adopted to a loving family for \$60./ She will come with our 10 day money back guarantee and our promise that we will always take her back as space allows. She will not be adopted out to be declawed.

To meet her, please call Judy at 980-8898
