I am a non smoker mother of two older children who has a lot of patience and am a fun loving person. I have over 15 years of experience with all ages and previously had a licensed daycare in my home.

My mom used to watch children when I was a young girl, therefore I learned to love children at an early age and started babysitting at the age 10. I give all my love and attention to children and am proud of this job. I love to play games, arts n crafts, and enjoy being outside with children.

I have a copy of my background check, two references and I will not interview any single males. I would request meeting with both parents on initial interview. I look forward to hearing from you. Kim
