"Schlemiel. Schlimazel. Hasenpfeffer Incorporated." Laverne and Shirley are two gorgeous British Shorthair mixes - round and chubby and cute as can be. Their owner tragically was the victim of a medical mistake at a local hospital that paralyzed her. The woman's grandson brought these sweet kitties into BARCS because she could no longer care for them. Laverne and Shirley are a bonded pair - we'd love to see them skip into their new forever home, paw in paw. Can you make our dreams come true? We love to give kisses and hugs all the time! Please fill out an adoption application at this site - <http://www.animalalliesrescue.org> and choose us, Laverne & Shirley!!

Our adoption fee is \$200 for both of us and includes all routine vetting, rabies and distemper/parvo vaccinations, FeIV/FIV testing, deworming, spay/neuter surgery, heartworm testing, monthly heartworm prevention, microchip, boarding, grooming, and transportation costs if applicable, along with an offer for 30 days of free 24PetWatch pet insurance! So you won't have to pay for that!!!
