## A step above AM Bullies (Inverness)

Location **Florida** https://www.genclassifieds.com/x-379460-z

Both mybullies --our house dogs ,have champ and grand champ blood lines
As is expected ,the litter is outstanding
We are bully people for 30 years
Intelligence ,beauty and health are what these pups are about
This is a bargain ,at our asking prices but we need to find the dogs ,real good homes
