Hi I have the pieces in the pictures for sale (all of them are originals). The originals are more expensive than the reproductions. Reproductions of the Pacman are autographed by PacMan himself and myself. The others are all framed and drawn in ink.

The "Sick Book" drawing is 11x13" and is \$160

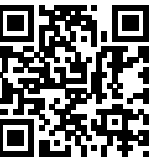

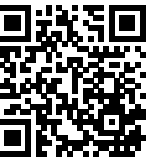

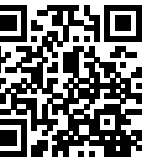

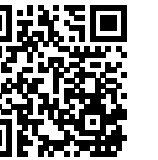

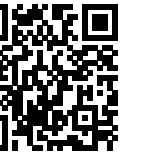

The Samurai is 8.5x11 original in ink \$120

The "Doggin' Out" illustration is \$350

The original 18x24" Manny"PacMan"Pacquiao art piece signed by Manny and myself is \$1,200 and the autographed prints of it are \$150 for 8.5x11" and \$350 for 18x24 autographed prints (all high resolution prints with authentic signatures).

All art is in my studio near Staples Center. Must pick up~

Thanks for checking out my work~
