Open to men, women and kids of ALL ages. Great for fun and exercise. Even if you are a beginner or new to the sport, there are players that take the time to teach the game to anyone who wants to learn.

Some of the things you can do are check in on the site and watch for the game. We have tables that you can borrow and have a dozen tables to play on. If you want to play a table tennis spot to play. It's a great way to have fun and get some exercise at the same time. Why not give us a call?

Ask for KAREN FUJIYAMA when you get to the Boys & Girls Club and she will get you started and answer any questions you may have.
