This is a private storage yard located on the back of a home, completely fenced in with large drive through gate separate from home.
 Approx size is 55' x 50`

It also has a 600 sq ft building with a garage door & walk through door.

This would make a great place to park extra boats, trucks, cars, equipment, etc our just extra storage in general

This is not intended for the use of running a business out of on a daily basis, though you could store some equipment there.
STRICTLY STORAGE
